► **Vice Chairperson of Parliamentary Committee on Members' Services & Facilities and Member of Administration & National Security inaugurated the POWER & ENERGY 2022**

As the leading International Exhibition in the East Africa, the 9th POWER & ENERGY Africa 2022, set new records this May with an overwhelming response of Trade Visitors and Exhibitors from across the globe making it East Africa's most successful event.

The 9th POWER & ENERGY Africa 2022 was held at The KICC, Nairobi, Kenya, from May 19 - 21. Hon. Dr. Swarup R. Mishra (Kiprop Arap Chelulei), MP Kesses Constituency, Vice Chairperson of Parliamentary Committee on Members' Services & Facilities and Member of Administration & National Security inaugurated the event. The show was an exceptional success for the 9th consecutive year. The expo proved to be a useful stage for visitors to meet exhibitors of their interest.

Organized by EXPOGROUP, the show had exceptional visitor footfall ensuring beneficial interactions for exhibitors with a wide variety of potential business prospects. The expo saw a strong international presence with participants from as many as 22 countries exhibiting their products.

As a proven platform for business to business, the exposition showcased latest developments in the Power & Energy Industry from various organizations, decision makers from the end user industries as well as industry observers and experts interacted with each other making the event an excellent platform for networking and relationship building. Exhibitors identified the immense potential of the East African markets while the visitors were exposed to explore various new business options.
