► Managing Director and CEO of the Kenya Electricity Transmission Co. Ltd. inaugurated the event POWER & ENERGY 2024

As the leading International Exhibition in the East Africa, the 11th POWER & ENERGY Africa 2024, set new records this June with an overwhelming response of Trade Visitors and Exhibitors from across the globe making it East Africa's most successful event.

The 11th POWER & ENERGY Africa 2024 was held at The KICC, Nairobi, Kenya, from June 26 - 28. Hon'ble Dr. Eng. John Mativo, MBS, the Managing Director and CEO of the Kenya Electricity Transmission Co. Ltd. Kenya Inaugurated the event on 26th June 2024. The show was an exceptional success for the 11th consecutive year. The expo proved to be a useful stage for visitors to meet exhibitors of their interest.

Organized by EXPOGROUP, the show had exceptional visitor footfall ensuring beneficial interactions for exhibitors with a wide variety of potential business prospects. The expo saw a strong international presence with participants from as many as 27 countries exhibiting their products.

As a proven platform for business to business, the exposition showcased latest developments in the Power & Energy Industry from various organizations, decision makers from the end user industries as well as industry observers and experts interacted with each other making the event an excellent platform for networking and relationship building. Exhibitors identified the immense potential of the East African markets while the visitors were exposed to explore various new business options.
