► **Director General, TanTrade representing The Permanent Secretary of the Ministry of Industry and Trade, Tanzania inaugurated the Watertech Tanzania 2025**

As the leading International Exhibition in the East African Building & Construction Industry, the 4th WATERTECH AFRICA 2025, set new records this September with an overwhelming response of Trade Visitors and Exhibitors from across the globe making it East Africa's most successful event.

The 4th WATERTECH AFRICA 2025, was held at the Diamond Jubilee Expo Centre, Dar-es-Salaam, from September 24 - 26, 2025. Inaugurated by Hon. Dr. Latifa Khamis, Director General, TanTrade representing The Permanent Secretary of the Ministry of Industry and Trade along with Hon. Dr. Janet Reuben Lekashingo, Chairperson, Mining Commission, Ministry of Minerals, The United Republic of Tanzania. The show was an exceptional success for the 09th consecutive year. The expo proved to be a useful stage for visitors to meet exhibitors of their interest.

Organized by EXPOGROUP, the show had exceptional visitor footfall ensuring beneficial interactions for exhibitors with a wide variety of potential business prospects. The expo saw a strong international presence with participants from as many as 14 countries exhibiting their products.

As a proven platform for business to business, the exposition showcased latest developments in the Water, Wastewater and Related Technology Industry. Stakeholders from various organizations, decision makers from the end user industries as well as industry observers and experts interacted with each other, making the event an excellent platform for networking and relationship building. Exhibitors identified the immense potential of the East African market while the visitors were exposed to explore various new business options.
